Handout: Action Areas

## **8. NEW BUSINESS**

### **8.1 Recognition of Philip Huang and Celia Stein, Shawn Fong, Paratransit Program Coordinator**

**BACKGROUND:** For the past 10+years, Philip and Celia have worked as outreach workers for the City's Paratransit Program. Although they worked primarily for paratransit, they were our original "Community Ambassadors for Seniors" since AFS lacked bilingual/bi-cultural staff to connect with our growing ethnic communities. Philip was hired in July 2000 and Celia was hired in December of 2001. They both "retired" officially from their staff positions but are continuing to volunteer to do monthly paratransit group outings for their respective senior communities.

**RECOMMENDATION:** That the Commission recognize the work that Philip & Celia have done through the Paratransit Program.

### **8.2 Getting Information From the Commission to the Community, Commissioner Creveling, Chair**

**BACKGROUND:** The Commissioners are the recipients of a lot of useful information through the SCC meetings, as well as the other action areas they work with.

**RECOMMENDATION:** That the Commission come up with ways to pass information on to the community and start working on a plan to incorporate these ideas.
